

If the boundary of a congressional district for the 118th Congress splits a 2020 Census block, the Census Bureau's maps and TIGER/Line files depict the correct location of the boundary. For data tabulation purposes that census block is allocated in its entirety to the 118th Congressional District specified to the U.S. Census Bureau by the state. This list provides all the 118th Congressional Districts that split census blocks and shows the congressional district where the block is allocated for data tabulation.
